LEVEL 2 AWARD IN HEALTH AND SAFETY AT WORKPLACE

AWARDING BODY

FOCUS AWARDS

Course Description

Advance your career with our comprehensive Level 2 Award in Health and Safety at Work. This qualification is ideal for individuals seeking to enhance their knowledge of workplace health and safety, whether you are a health and safety officer, advisor, or simply aiming to foster a safer work environment.

Our Level 2 Health and Safety course provides essential insights for those tasked with maintaining health and safety standards in the workplace. Building on the fundamental principles introduced in Health and Safety Level 1, this course delivers advanced knowledge and practical skills essential for roles such as health and safety officers and advisors.

Key topics include risk assessments, hazard control, workplace first aid, and emergency procedures. Whether you are employed in construction, manufacturing, or office-based roles, this qualification equips you to actively promote and support health and safety in the workplace.

Course Structure

Unit 1: Health and Safety in the Workplace

Assessment

Written assignments

Duration

The course offers a self-paced module. It can be completed within a week or over a duration of 1 month based on the learner's own pace. However, the course access expires after a year and a re-enrolment charge is applicable.
