

A man with a beard and glasses, wearing a white t-shirt, is sitting on a light-colored sofa, looking at a laptop. A red paper airplane is shown flying towards him from the left. A dashed red line connects the airplane to the word 'EDUCATION' in the logo.

LEVEL 5 DIPLOMA IN EDUCATION AND TRAINING

AWARDING BODY

Course Description

The Level 5 Diploma in Education and Training, previously referred to as the Diploma in Teaching in the Lifelong Learning Sector (DTLLS), stands as a fundamental qualification for educators within the post-16 sector. Tailored for individuals aspiring to enter the teaching profession, this program expedites the acquisition of essential teaching skills.

Our fully online Level 5 DET course, accredited by UK OfQual, enriches both professional versatility and teaching credentials across diverse educational environments.

While completion of level 3 or level 4 courses is not obligatory prior to enrolling in our Level 5 DET program, accumulating a minimum of 100 hours of classroom teaching practice by the conclusion of the qualification is mandatory. Many candidates opt to begin the course once they secure a teaching placement. Should you lack a teaching position, our Trainee Teacher Positioning Program provides assistance in fulfilling the practical component of your course.

Course Structure

- Unit 1:** Teaching, learning and assessment in education and training
- Unit 2:** Developing teaching, learning and assessment in education and training
- Unit 3:** Theories, principles and models in education and training
- Unit 4:** Wider professional practice and development in education and training
- Unit 5:** Inclusive practice
- Unit 6:** Developing, using and organising resources in a specialist area
- Unit 7:** Teaching in a specialist area

Assessment

Written assignments

8 Teaching Observation Sessions

Evidence for 100 hours of logged teaching

Duration

The course provides modules that learners can progress through at their own pace. Completion time ranges from 2 to 12 months, depending on individual learning speed. However, access to the course expires after one year, and re-enrollment requires a fee.
